WORK EXPERIENCE

The Louisian Torch Chief Multimedia Editor - Led and mentored a multimedia team in planning, producing, and editing high-quality visual content for campus-wide distribution. - Streamlined the review workflow to maintain strict creative standards, ensuring all outputs met rigorous quality and consistency benchmarks.	City of San Fernando, La Union <i>Aug 2024 - Jul 2026</i>
Photojournalist - Captured and edited high-impact photographs for campus news, major events, and feature articles under tight journalistic deadlines. - Upheld strict ethical standards and accuracy in visual reporting, preserving the integrity of the publication's brand.	<i>Aug 2024 - Jul 2026</i>
Multimedia Staffer - Produced engaging video content for campus news, event recaps, and digital feature stories. - Collaborated closely with editors and writers to create cohesive cross-platform multimedia storytelling.	<i>Sep 2023 - Jul 2024</i>
College Information And Marketing Office (CIMO) CIMO Contributor - Designed and developed vibrant digital and visual content for official college promotions, maximizing engagement for institutional announcements. - Documented high-profile institutional events, producing media assets used directly for official marketing campaigns and social media channels.	City of San Fernando, La Union <i>2024-Present</i>
Police Community Affairs And Development Unit (LUPPO) On-The-Job Trainee - Managed and audited digital logs, community records, and department files, improving data accuracy and ensuring rapid information retrieval. - Provided technical and systems support during community affairs operations, significantly optimizing daily administrative workflows. - Created informational multimedia content tailored for community relations, boosting public awareness and engagement for localized safety initiatives.	City of San Fernando, La Union <i>Feb 2026 - May 2026</i>
